Welcome to the RESER 2008 conference in Stuttgart! On September 26th, 2008 there will be a Gala Diner for the participants of the RESER 2008 conference at Chateau Rosenstein in Stuttgart.

In order to help you get there, we would like to offer you the following path description:

From Stuttgart Hauptbahnhof (main station) you will have to take the underground line U14, direction "Neckargröningen Remseck". The trip will take about 8 minutes. Get off at the station "Wilhelma". From there you will have to walk a short distance to the castle. When you arrive at the station, leave the platform in your travelling direction, turn left and cross the parking lot. To your right you will see a car park. There are two paths at the end of the parking lot, that both lead up the hill to Chateau Rosenstein.

The exact address of the castle – in case you would like to come by car or taxi – is

Schloss Rosenstein

Rosenstein 1, 70191 Stuttgart

You can order a taxi by calling +49 711-5510000.

In order to get back to the main station, walk back down the hill and take underground line U14, direction "Heslach".

We hope you will have a wonderful evening at Chateau Rosenstein!
